

GSQMN Virtual Gathering

“Crippling Transcription in Qualitative Inquiry”

Darcy Furlong, Indiana University
October 20th, 11am-12 pm EST

The [Graduate Student Qualitative Methods Network \(GSQMN\)](#) is pleased to invite you to attend the October 2022 virtual gathering. At this gathering, **Darcy Furlong**, a PhD student in Qualitative & Quantitative Research Methodology at Indiana University, will share her work-in-progress on qualitative transcription practices.

Graduate students and faculty interested in qualitative methods are welcome to join this generative conversation and share their supportive feedback and ideas!
