Arrival by train

From Cologne Central Station, take line 16 or 18 towards "Neumarkt" (two stations); then for three stations take line 1 (direction "Weiden-West")

or line 7 (direction "Frechen") to "Universitätsstraße". From there you can reach our building in a few minutes by foot (please see below

for a detailed description and [map](#)). From „Köln-Deutz you can take line 1 directly to "Universitätsstraße".

Travelling by car

If you're travelling to Cologne from the north, take the A57 to the end of the highway and then turn right into "Innere Kanalstraße."

Coming from the south, take the highway A3 to the "Köln-Ost"-junction.

There, change to the A4 in the direction of „Köln-

Zentrum." You will then reach the city centre via the bridge "Zoobrücke," which merges into "Innere Kanalstraße." "Innere Kanalstraße" later turns into "Universitätsstraße" without any further junctions. After a while, turn right into "Dürener Straße", then immediately

right again into the next possible street (Herbert-Lewin-Str.). It is best to park in "Frangenheimstraße", which branches off to the left of "Herbert-Lewin-Straße". You have then reached your destination.

Site map

We are located in building 212 on the ground floor of the so-called “Herbert-Lewin-Haus” (see also the site map of the University of Cologne: <https://lageplan.uni-koeln.de/#!212>).

You will find the entrance to the “Herbert-Lewin-Haus” on the north side of the building. Take the left-hand door (see photo above, to the left of the yellow sign). Once inside the building, turn right. Behind the automatic door (the door switch is on the right-hand wall) you are now directly in front of our offices!

Walk from the stop “Universitätsstraße” to building 212 / Herbert-Lewin-Haus of the Faculty of Human Sciences (HF).
